OBJECTIVE

Seeking an entry-level opportunity in an esteemed organization where I can utilize my skills and enhance learning in the field of work, capable of mastering new technologies.

INTERNSHIP

CODSOFT , Web Development intern

(Aug 2023,Sep2024)

Completed my one-month virtual internship at Codesoft, specializing in front-end development.

Demonstrated proficiency in HTML, CSS, and JavaScript through hands-on projects, including an Amazon clone, portfolio site, product landing page, and calculator, ensuring responsive and visually appealing user interfaces. The completed projects are accessible on my GitHub repository, showcasing my commitment to version control
